

Capability Statement

hfatrucking.com

HFA Trucking, LLC brings successful automation experience, highly-effective leadership skills, and top-of-the-line technology to the trucking industry. Our team of experts focus on facilitating precise movements of consistent loads for the government, as well as local & nationally dedicated lanes. By the end of 2022 we will have strategically positioned HFA Trucking's fleet across the nation maximizing the potential of our load-board software, while also attaining constant bookings for our fleet, as well as finally acquiring and executing many dedicated lanes while always maintaining an emphasis on safety + compliance!

Core Competencies

- **Trucking Services**
- **Logistics**
- **Long Distance Hauling**
